

TheAdoptionKit ~ An Adoption Survival Kit

Sharon Simons, the founder of Mom at Last, had a difficult time becoming a Mom and finally become a Mom, at Last through the use of International Adoption.

Sharon is so passionate about helping women, individuals, and couples going through the Adoption Process succeed, Sharon created TheAdoptionApp, an International and Domestic Adoption Process Mobile App.

Now, Sharon is releasing another Adoption Product, to help those going through the Adoption Process success and remember their journey through Domestic or International Adoption. Sharon Simons and Mom at Last is proud to announce the creation of a kit to help Pre-Adoptive Parents Survive the Long Adoption Process called TheAdoptionKit

theAdoptionKit

The Adoption Survival Kit Includes:

- * The **“I Love Adoption” Bear** is a great snuggle buddy while on your Adoption Journey and the Perfect Gift for your little one at the end of your Adoption Journey.
- * The Adoption Process can be stressful, but do not let stress get to you by using the **“I Love Adoption” Heart Stress Ball**. Great for those long trips & multiple meetings
- * **Show your Adoption Pride!** Capture your favorite moment during your Adoption Journey and place it in the **“We Love Adoption” Photo Frame**.
- * Record your Adoption Journey in the **“We Love Adoption” Journal**. Each journal has a pocket to keep documents or photos and a pen that attaches to each journal.
- * **Always have Adoption Hope**. Keep your place in your Favorite Adoption Book, your Adoption Journal or in the new Mom at Last Memoir with the butterfly **Adoption Hope Bookmark**.

and Much More!!!
